FOUNDERS DAY GIVING CHALLENGE OVERVIEW

SNHU's Founders Day is held each year on September 12, to commemorate the founding of our institution in 1932 and celebrate our longstanding commitment to empowering our students to transform their lives and make the world a better place.

During this challenge we ask alumni, faculty, staff, trustees, sponsors, students, businesses, and friends to come together in a crowdfunding effort to support scholarships and other vital student experience needs. Although SNHU strives to make education accessible and affordable, there are still many worthy and highly qualified students who could not attend without the assistance of a scholarship. More than 90% of SNHU's students qualify for and receive some level of financial assistance.

2025 SNHU FOUNDERS DAY CHALLENGE DETAILS ARE:

- ♦ The online campaign will run September 12–19.
- ♦ 2025 marks our seventh year driving this campaign. Since 2018, many generous donors and sponsors have provided more than \$600,000 to help make education accessible and affordable for SNHU learners.
- ♦ Funds will make an immediate impact and will provide critical scholarships, help students pay tuition, buy books, and empower them to pursue their dreams.
